

# Private viewing

Experience an exclusive private viewing at Foam!

Private viewing in Foam © Daniel Lewensztain

In times when the need to (physically) see each other is greater than ever, Foam offers a unique opportunity to experience a fully catered morning or evening in the museum in a corona-proof way.

Let your relations, clients or employees be surprised and inspired by the stories of Foam's museum teachers, curators or our artistic director in a museum that is entirely at your disposal.

# Programme

Private viewing in Foam © Daniel Lewenzstain

For groups up to 16 people, Foam organises an exclusive tour through the museum with a welcoming breakfast beforehand or a drinks reception afterwards in the Foam Café.
